

REGRET TO INFORM

Dear (add appropriate name),

Regret to inform. Decision to end.
Sorry to say. Relationship over.
Cannot mend. Run its course.
Didn't see it coming. No clue.
Romance lacking. My desire gone.
You do not satisfy. Or turn me on.
Sadly true. Taken for granted.
Have to leave. Need some space.
To see another. Not you. It's me.
Hope we can be friends.

(no longer)

Yours,

Lisa Hawkins
